2019 NCVF National Tournament Roster Deadline - 02/20/2019 -- 5 Days

Team Reps –
The deadline for finalizing your National Tournament Roster is quickly approaching – 02/20/2019. You have 5 days to review and finalize your roster to add your players and coaches (non-players that will be allowed on the bench).

IMPORTANT REMINDERS:

- Players and Coaches cannot be added to the roster after the **02/20/2019 DEADLINE.**
- Any players including reserve players that may need to attend in the case of injuries to current players in the next month should be added to the roster now before the deadline. These reserve players should be added in case they are needed and can complete all required forms and eligibility checks.
- Teams are allowed 15 players on the National Tournament Roster. If your reserve players makes more than 15 players, only the first 15 players will print on the Enrollment Verification Form that will print out for you to verify with your registration around March 15. The roster must be reduced to 15 players by April 1.
- The "National Tournament Roster" and the "NCVF Regular Season Roster" are two separate rosters and managed separately once the National Tournament Roster is created. You must make changes to both roster if they apply.
- If you do not see the correct roster count, then players must be added via the attached steps.
- You can verify your National Tournament roster under the "National Tournament Roster" link on your Team Rep Menu OR view it from the "Registered Teams Status" on the NCVF Website by clicking the Roster Count
- After the Roster Deadline – 02/20/2019 – any jersey number changes will require a $25 change fee per change. Jersey numbers are the only changes allowed after the deadline. Players cannot be added. The Number Change Fee will go up to $50 on April 17.
- Teams can remove players from the National Tournament Rosters at any time for no fee – even after the roster deadline.
- All players on the roster will be required to complete required forms via esignature and will undergo eligibility and compliancy checks for enrollment requirements, varsity status, and years of eligibility.
- All email addresses must be correct for forms to be sent to players. Please have players review and confirm correct email addresses.
- Review your rosters carefully now so you don't end up having to pay fees for changing incorrect numbers.
- Players and Coaches cannot be added to the roster after the **02/20/2019 DEADLINE.**
