

NCVF Registered Teams:

As we approach the beginning of the 2022-2023 season, we have a few announcements and reminders!

Team Registration

All active teams from the 2021-2022 season are still active so contact information can be updated, tournaments can be posted, rosters can be updated, etc.

Independent Teams – All Independent Team VBReg accounts will be reset in early October. At that point, you will need to log in to your VBReg account and pay your Annual Membership Fee of \$50 to activate your team(s).

NCVF Recognized League Teams – NCVF Recognized League Teams will be reset with the leagues in December (Note: If you are a league team that is required to register through VBReg directly, your account will also be reset with the independent teams). Now is the time to reach out to your league representatives, update your club information with them, and make sure you are in good standing with your league heading into the season!

Benefits of NCVF Registration:

- Eligible for sponsorship discounts (see REN Athletics below, potential discounts with other vendors are also in negotiation)
- Eligible for all NCVF Recognized regular season events
- VBReg roster management tools
- VBReg tournament posting and results
- NCVF.org results and team records postings
- Eligible for NCVF Rankings throughout the season
- NCVF seeding for any events hosted
- Ability to register for NCVF Championships

Team Contact Information

Please make sure your primary team rep is updated in VBReg. We pull the list directly from the database before every email we send, so updating your primary team rep for each team is the only way to make sure the right people are getting all NCVF emails.

REN Athletics Sponsorship

The NCVF is thrilled to announce a new relationship with REN Athletics providing discounts to all NCVF Registered Teams and additional benefits to the NCVF and NCVF Recognized Leagues. [Release can be found here](#), special pricing sheets have been sent directly to NCVF Registered Teams and Leagues.

Former Varsity Limitation – 2023 Test Rule regarding Community Colleges and Junior Colleges

Upon recommendation from the NCVF Advisory Council (league commissioners and independent team reps), the NCVF Board of Directors has voted to implement a test rule for the 2023 NCVF Regular Season and 2023 NCVF Championships that will remove the limitation on Former Varsity Players from community college and junior college programs. [Details can be found here](#).

Tournament Postings

Tournament postings have been updated on ncvf.org for the 2022-2023 season. All preseason and regular season tournaments can now be submitted through each team's VBReg account and will be posted to ncvf.org upon review and approval.

NCVF Championships

The 2023 NCVF Championships will be held in Kansas City, MO on April 13-15, 2023. Registration for the tournament and housing will open in January.

Compliance/Eligibility

Teams are expected to abide by the [NCVF Governance Rules](#) for all NCVF recognized competitions. All compliance questions should be directed to the Compliance Committee Chair – ntoth@ncvf.org.
